Good evening,

My name is [REDACTED] and I am currently a senior student at Beaumont High School. As part of the curriculum, I am already enrolled in college classes that add to 10 units total enrolled. However, I am writing to request permission to take an additional 5 units. My primary goal is to complete 4 years of American Sign Language (ASL) studies and apply to get a multiliteracy seal in ASL. This is the main reason why I am keen on taking more classes. I am deeply committed to this goal and believe that taking these extra course will help me achieve it. Currently, I hold a high GPA of 4.5 and have maintained good academics in all my classes. I am dedicated to maintaining this level of academic excellence. Moreover the following school year, I would also be having an open 6th period, which further allows for more time and being able to take that ASL class. I understand that my request exceeds the maximum limit of 11 units, but I am confident in my ability to successfully execute it. I appreciate your time and consideration of my request. I am hopeful for the opportunity to accelerate my academic progress and look forward to your positive response.

Thank you,
