## Registration, Costs, and Qualification Notes

*Note: Please read all information below before registering!*

### Important Registration Notes

**Before Registering:** Please review the costs, refund policy, and qualification notes listed below carefully before registering!

**Processing Fee:** Note that credit card payments will include a non-refundable 4% credit card processing fee.

**Registration Deadline to avoid late fees:** April 11, 2025 for individual events, and April 7 for History Bowl teams.

(late fees are an extra \$5 per National Championship Exam, \$10 per other individual events (including US Geography Championships), and \$30 for History Bowl teams of any size)

**Registration Deadline (final):** April 18, 2025 for individual events, and April 14 for History Bowl teams.

**Registration Deadline for National Geography Bowl (online on May 17) and US Geography Bee (online on May 22):** May 6

(no late fees will be assessed for these two events only as long as registration is completed by May 6)

## Qualification Notes – Please read before registering!

1 The National History Bowl require prior qualifying at History Bowl and Bee events at the regional level.

---

2 The National History Bee requires prior qualifying at either History Bowl and Bee regional events or at National Science/History/Geography Bee regional events.

---

3 The National Science Bee is open only to students who have qualified either on the **National Qualifying Exam** or a National Science Bee regional event.

---

4 The US Geography Championships and National Geography Bee are open only to students who have qualified either on the **Geography National Qualifying Exam** or a National Geography Bee regional event.

---

5 The US History Bee and National Political Science Bee are open only to students who have qualified on their respective **National Qualifying Exam**.

---

6 No qualification is required to compete in any of the National Championship Exams or the National Academic Bee.

---

7 No qualification is required to compete in the Varsity and Junior Varsity National Championships of the National Geography Bowl or the US Geography Bee.

---
